DATE: 7 April 1965

FROM : DAD/S&D

SUBJECT:

25X1A

Could you check with [REDACTED] and find out what the purpose of this seminar is? If it looks as though it has to do with future work, then I propose that you and [REDACTED] both attend. We probably should have a little bit of chatter about the types of systems, etc., that ought to be used on that aircraft.
